

1<sup>st</sup> International Workshop on  
**Pattern-Driven Engineering of  
Interactive Computing Systems  
(PEICS 2010)**

## Survey

To increase the quality of the workshop we want to conduct a survey that gives you the chance to tell us something about your background and the topics you are interested in to discuss at the workshop. Please feel free to briefly answer the following questions:

### Q1: What is your personal background?

- |  |                                       |
|--|---------------------------------------|
| <input type="checkbox"/> Software Engineering        | <input type="checkbox"/> Design       |
| <input type="checkbox"/> Human Computing Interaction | <input type="checkbox"/> Other: _____ |

### Q2: How long have you been working with patterns?

\_\_\_\_ Years

### Q3: What kind of information do you represent with patterns?
